Dear Madam/Sir,

RE: Invitation of Headteachers, Deputy Headteachers and School- Based Mentors to participate in the CPD programmes -Cohort Two

Rwanda Basic Education Board (REB) in partnership with VVOB, University of Rwanda College of Education (UR-CE), and National Examination and School Inspection Authority (NESIA) is implementing a 5-year programme (2022-2026) "Learning through Assessment and Data (LEAD)". This programme aims to improve the skills, attitudes and competencies of school and educational leaders in schools and across different levels in the education system, with the objective to improve the quality of teaching.

To strengthen the professional development of educational leaders, REB in collaboration with its partners developed and has been implementing two continuous professional development (CPD) programmes: (1) CPD Diploma in effective school leadership for headteachers and deputy headteachers; (2) CPD Certificate in Educational Mentorship and Coaching (CEMC) for school-based mentors. These CPD programmes are implemented in cohorts. The first cohort of 230 School-Based Mentors were trained from May to December 2023 and have successfully completed while the first cohort of 232 Headteachers and Deputy Headteachers are expected to complete their training in February 2024.

The second cohort targets 230 School-Based Mentors for the CPD Certificate in Educational Mentorship and Coaching (CEMC) and 230 Headteachers and Deputy headteachers in the CPD Diploma in effective school leadership.

This second cohort will start in January 2024 with a Blended Onboarding Course (BLOC) which is a prerequisite to both CPD training. The mode of delivery will be blended (online and face to face).

The purpose of this letter is to request your good office to facilitate these targeted educational leaders to participate in the second cohort of the above-mentioned CPD programmes and to request for their close follow up by The District Director of Education (DDE) and Sector Education Inspector (SEIs).

The support of The District Director of Education (DDE) and Sector Education Inspector (SEIs) includes but will not be limited to **encouraging trainees to actively attend the course and implement what they learn, follow up on trainees' participation in the course, in the Professional Learning Communities (PLCs) and in the Community of Practice (CoP) in their respective sectors and schools, provision of technical support in the**

development and implementation of School Improvement Plan and in organization of school-based CPD activities, allow School Based Mentors to conduct CPD activities on Wednesday afternoons and inform REB/TDM&CGC Department and VVOB in case the trainee (Head teacher, Deputy Head teacher or School based mentor) is no longer in this position.

The following documents are herewith enclosed for your consideration: the list of selected participants in the programme; the commitment letter to be signed by every participant to the programmes and the calendar of activities. All costs related to monthly internet bundles, transport, meals, and accommodation for participants will be covered by VVOB.

For more details, please contact Mr. KWIZERA Andrew, Inter-school Peer Learning Officer/REB, via [email: akwizera@reb.rw](mailto:akwizera@reb.rw) or [tel: 0734542656](tel:0734542656) or Ms. AYINKAMIYE Genevieve, Education Advisor for Institutionalisation and Scaling /VVOB via [email: Genevieve.Ayinkamiye@vvo.org](mailto:Genevieve.Ayinkamiye@vvo.org) or [tel: 0782042618](tel:0782042618).
